 - Head of SSEES Teaching Committee (2011-2014): Development of flagship UCL BA multidisciplinary degree in History, Politics and Economics.
 - Project Director (2011-14): Three-year Open Society Foundation funding to promote teaching and research in Health Economics in Eurasia. REF Impact Case Study (2014).
-

ACADEMIC MANAGEMENT AND LEADERSHIP ROLESDirector of Russian and East European Studies (REES), University of Oxford (2018-)

Managing budget, recruiting staff, chairing management committee, governing the REES MSc and MPhil programmes, line management of staff.

Deputy Head of Oxford School of Global and Area Studies (OSGA), (2018-)

Developing and implementing OSGA MPhil Programme; establishing international partnerships.

Dean of St Antony's College, University of Oxford (2018-)

Responsibility for College welfare and discipline and related policies and member of Management Executive Team.

Chair of Internationalisation Committee and Faculty Academic Director, HSE (2014-2017)

Responsibility for introducing and developing an internationalisation strategy, and contribution to the development of a quality assurance and enhancement framework.

Director of International Centre for Health Economics, Management & Policy (CHEMP), HSE (2015-2017)

Responsibility for securing funding and creating sustainable research centre in health economics. Launched 5 work-packages, line-managing approximately 15 academic and administrative staff.

Deputy Director, International Laboratory of Economics of Healthcare Reform, Moscow, (2013-2018)

Managing and developing a team of research fellows working in health economics; research in health economics and policy.

Deputy Director (Senior Management Board), UCL SSEES (2013-14)

Responsible for strategic planning, management and external engagement of UCL SSEES, including student recruitment, the promotion of minority languages and the strategy for Internationalisation. Line management of 20+ academic staff. Probation and appraisal reviews.

Head of Teaching Resources (Senior Management Board), UCL SSEES (2011-14)

Strategic oversight for teaching and learning, quality management and enhancement, and staff development in the School; Planning and managing the School's teaching resources, including teaching workloads and the appointment, induction, training and support of Teaching Fellows and Postgraduate Teaching Assistants (PGTA). Line manager to PGTAs and Teaching Fellows.

Director of IMESS (International Masters) Consortium (2011-14) and Programme Director (2006-09)

Developed and managed a consortium based 2-year, multidisciplinary Masters programme involving 7 international partners; secured funding through competitive bidding for European Union Erasmus Mundus project finance (2007-2012, approx 1.5 million Euros); secured post-funding Erasmus Mundus recognition (2013-2014) and introduced sustainability strategy.

International Director Global Health Economics HESP Programme, Open Society Institute, (2011-14)

Co-Director of International Programme promoting Health Economics education and research in the countries of Eastern Europe and Central Asia; Recruiting 25 early career researchers for the 3-year programme; Recruiting an international team of experts in Health Economics; Mentoring, teaching and supervising early career researchers; planning and managing programme.

International (Study Abroad and Visiting Students) Tutor (2010-2012)

Responsible for establishing and managing (approximately 15) international partnership agreements for student and staff mobility; established strategic university level research and teaching partnership between UCL and HSE; secured ESRC International PhD partnership grant. Managed Memoranda of Understanding with non-EU partners.

CEELBAS (AHRC/ESRC) Project Board, MRes East European Studies, Programme Director (2006-07)

Participation in successful (£5.5 mn) project application to AHRC and ESRC to establish consortium of UK universities to develop a collaborative centre for the promotion of language based area studies. I developed, with University of Oxford, a template for a Masters in Research, which was introduced in 2006-07 and of which I served as the initial Programme Director.

Visiting Students and Overseas Recruitment Tutor (2004-2006)

Developed a visiting students programme and handbook for UCL SSEES, incorporated a recruitment strategy for SSEES into the UCL visiting student strategy and subsequently expanded the intake of Junior Year Abroad students. Participation in UCL European Steering Group.

Study Abroad Tutor (2002-2004)

Initiated and managed a revalidation of undergraduate programmes with a study abroad element, replacing single term study periods within 3-year degrees, with flexible 4-year degrees.
